

# Year 1/2

## Summer Term 2024

### Space and Coming to England

Over the Summer term, we are going to be exploring the topic of Space where we will be investigating different Space Explorers (such as Katherine Johnson's impact on the space race). In our final term, we will be focusing on Floella Benjamin's journey to England as part of the Windrush Generation. We will be looking at the differences between the countries in the United Kingdom and our shared values.
