

Year 1 and 2 - Autumn Term

Here We Are

Over the Autumn term we will be learning all about our place in the world – taking inspiration from Oliver Jeffers book 'Here We Are'. In Geography we will focus on locating different countries across the globe and explore the similarities and differences. Towards the end of the autumn term we will focus in history on the UN Sustainable Goal 'Gender Equality' and investigate what this looks like in our own world. As well as how we can be a global citizen and make a difference.

Reading and Writing

Meerkat Mail
Lost and Found

Maths

Year 1 – Numbers to 50; Shapes; Length
Year 2 – Place Value, Addition & Subtraction

History/Geography

Comparing Geographical Locations
Animals roles in World War One
